

Goldilocks and The Three Bears

This is the story of
Goldilocks and the Three Bears.

This is Goldilocks.
Hello, Goldilocks!
And this is her mum.
"Stay in the garden, Goldilocks,"
says her mum.
"OK", says Goldilocks.
Where are you going, Goldilocks?
Oh, Goldilocks.

She goes out of the garden and
into the forest.
Goldilocks likes the forest.
It's her favourite place.

SONG: The Forest Song

The forest is my favourite place,
I come here every day.
My mum says, "stay at home,"
But I come here and play.

I skip and jump,
I climb the trees,
I play here every day.

She skips and jumps,
She climbs the trees,
She plays here every day.

The forest is my favourite place,
I come here every day.
Her mum says, "stay at home,"
But she comes here and plays.

She skips and jumps,
She climbs the trees,
She plays here every day.

I skip and jump,
I climb the trees,
I play here every day.

The forest is my favourite place,
I come here every day.
My mum says, "stay at home,"
But I come here and play.

I skip and jump,
I climb the trees,
I play here every day.

She skips and jumps,
She climbs the trees,
She plays here every day.

In the middle of the forest
there is a very old tree.
It's a very big tree with a
yellow door.

The Three Bears live here.
Daddy Bear, Mummy Bear and Baby Bear.
The Three Bears like porridge.
They eat it for breakfast every day.

"I like porridge," says Daddy Bear.
"I like porridge, too," says Mummy Bear.
"Porridge is yummy,!" says Baby Bear.

SONG: The Porridge Song

I like porridge,
I like porridge,
Yum, yum, yum!
I like porridge,
I like porridge,
Yum, yum, yum, yum, yum!

Every morning,
I eat porridge,
In my favourite bowl.
Every morning,
I eat porridge,
Not too hot or cold.

With milk and honey,
It's delicious,
In my favourite bowl.

I like porridge,
I like porridge,
Yum, yum, yum!
I like porridge,
I like porridge,
Yum, yum, yum, yum, yum!

Every morning,
I eat porridge,
In my favourite bowl.

Every morning,
I eat porridge,
Not too hot or cold.

With milk and honey,
It's delicious,
In my favourite bowl.

I like porridge,
I like porridge,
Yum, yum, yum!

I like porridge,
I like porridge,
Yum, yum, yum, yum, yum!

But today the porridge is hot.
"Ooh, it's hot!" says Daddy Bear.
"Ooh, it's very hot!" says Mummy Bear.
"Ow! It's Too hot!" says Baby Bear.
"Let's go for a walk," says Daddy Bear.
So the Three Bears go for a walk.

Oh, there's Goldilocks"
Hello, Goldilocks!
Are you going home now?
Which way is home?
"It's ... this way," says Goldilocks.
"I think..."
Goldilocks is sad.
She's hungry.
And she's tired!

What can you see, Goldilocks?
It's a yellow door.
Where are you going Goldilocks?
Oh, Goldilocks.
She walks through the door...
... and into the kitchen.

"Hello!" says Goldilocks.
But no one's there.

Goldilocks can see the porridge.
She likes porridge.
And she's hungry.
What are you thinking, Goldilocks?

First, she eats Daddy Bear's porridge.
But Daddy Bear's porridge is too hot.
Next she eats Mummy Bear's porridge.
But Mummy Bear's porridge is too cold.
Then she eats Baby Bear's porridge.
Baby Bear's porridge is just right.

Goldilocks is tired.
What are you thinking, Goldilocks?

First, she sits on Daddy Bear's chair.
But Daddy Bear's chair is too high.
Next, she sits on Mummy Bear's chair.
But Mummy Bear's chair is too low.
Then she sits on Baby Bear's chair.
Baby Bear's chair is just right.

Oh, Goldilocks.
Goldilocks is very tired now.
Where are you going, Goldilocks?
Oh, Goldilocks.
She goes up the stairs and into the bedroom.

First, she lies on Daddy Bear's bed.
But Daddy Bear's bed is too hard.
Next, she lies on Mummy Bear's bed.
But Mummy Bear's bed is too soft.
Then she lies on Baby Bear's bed.
Baby Bear's bed is just right.
