

Najlepším znalcom farieb a počítania je.

MENO:

Vyfarbi lampášiky: dva zelenou farbou,
tri červenou farbou, štyri modrou farbou,
jeden žltou a jeden hnedou farbou.

**Večer prišiel, to ja viem,
lampášik si prinesiem.
Sviečka malá horí v ňom,
rozžiari nám celý dom.**
